NOTICE

SoundExchange will **not** confirm receipt of payments or statements of account. If a service requires confirmation of receipt, please use registered mail, return receipt requested, or an express/overnight delivery service with tracking ability.

Services that have filed a Notice of Use of Sound Recordings under Statutory License with the Copyright Office are obligated to comply with all requirements of the statutory licenses under Sections 112 and 114 of the Copyright Act. It is the responsibility of each such service to ensure that it is in full compliance with the requirements of the statutory licenses under 17 U.S.C. §§ 112 & 114. SoundExchange is not in a position to determine whether each of the many services that rely on these statutory licenses is eligible for statutory licensing and does not in fact make any such determination. Nor does SoundExchange verify that such services are in full compliance with all applicable requirements of the two statutory licenses. Accordingly, SoundExchange's acceptance of a service's payment does not express or imply any acknowledgment that a service is eligible for, or otherwise in compliance with the requirements of the statutory licenses. SoundExchange, its members and other copyright owners reserve all their rights to take enforcement action against a service that is not in compliance with those requirements, regardless of payments such service may have made to SoundExchange.
